Principal's Corner

Three cheers for the One Act Play team that celebrates the District 25-A Championship with a resounding performance of "Good-Bye to the Clown." Not only did the OAP team advance to the Area competition, but in doing so, four members of the cast received Star Recognition for their individual performances.

Also representing West Hardin HS in an exceptional display of academic talent was our L-D Debate, Cross X Debate, Persuasive and Infor-

mative speakers, and the overpowering Science Team. All of the WHHS students that participated in the District 25-A Academic UIL meet at Sabine Pass displayed their skills, intelligence, honor, and

dignity in an outstanding and competitive manner.

Seniors are counting the days, the Lady Oilers are counting the victories, Coach Cone's track teams are adding up the points, and hopefully our Ag students are smiling all the way to the bank after a successful Animal Show sale. Spring is in full swing in West Hardin County, so "Go, Oilers!!" And congratulations to all!!

Teacher of The Month

Congrats to Mrs. MOnTOYA for being the West Hardin High School Teacher of the Month for April.

This month West Hardin is excited to pick Mrs. Montoya as Teacher of the month.

Mrs. Montoya is a Silsbee High School Grad, and from there she went to Lamar University to receive her bachelors degree. She has been teaching for 3 years. 2 of those years are in service right here at West Hardin. She also is the mother of 2 children who attend here at West Hardin.

When we asked her what her favorite memory of West Hardin was she promptly responded " All the dress up days. However I also have fond memories of playing Apples to Apples with my students."

Mrs. Montoya feels very honored and appreciated to be named teacher of the month. We asked her if there were anything that she wanted our readers to know. She responded "This has been a great year sp far and I'm really excited about all the accomplishments of the students and staff here at West Hardin. It was a great pleasure to nominate Donna Gabrysch for the HEB award. Seeing my students sign with colleges fills my heart with pride. Its great to be a part of West Hardin." We're glad you are a part Mrs. Montoya.

One Act 2009

On Thursday, March 26th, our One Act Company competed at Evadale in the Zone competition, performing "Goodbye to the Clown". Along with a place in the top two advancing plays, a few actor and actresses received awards. Cherilynn Cooper received Honorable Mention, Brooke Marcontell-All Star Cast and Justin Doiron the Best Actor. Congratulations!

On March 31st they will be competing in District against three other plays at Lamar and if they advance they will move on to Area. They have six talented actors and actresses, crew and alternate that have worked hard this year. They expect to do well and go far.
